

# Prayer – God always has Time

God is available 24 hours a day. He is always available, for all people in all countries! For example, in which everyday situations can you hear him? Read the texts in the text boxes and assign them to the corresponding pictures. The YOUCAT for Kids will help you with this as well. Have fun!

**"Everything is going to be all right!"**

Sometimes he will say that when you are listening to your favourite music.

**"Help!"**

Sometimes he will say that to you through a word in Sacred Scripture.

**"Look, how wonderful!"**

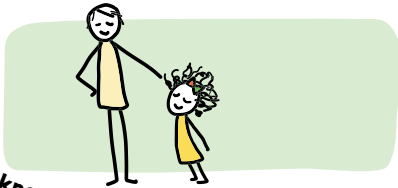

Sometimes he will say that through your mother, when she comforts you.

**"Listen, isn't it beautiful?"**

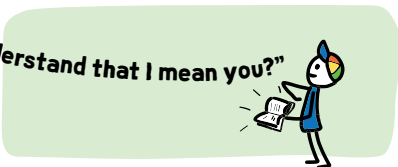

Sometimes he will say that when the sun is shining and the flowers are blooming.

**"Do you know how proud I am of you?"**

Sometimes he will say that in bed at night, when everything is quiet.

**"Do you understand that I mean you?"**

Sometimes he will say that through the tears of a child that is being teased.

**"Can you feel that I'm with you?"**

Sometimes he will say that through the eyes of your father, who is proud of you.
